Make a Difference for Wild Orangutans

**BOYCOTTING PALM OIL IS
NOT THE SOLUTION...**

**Supporting companies who are
members of the RSPO (Roundtable on
Sustainable Palm Oil) is the most
responsible solution.**

What can you do to help?

- Use CMZ's shopping guide, carry it in your wallet, send it to your friends, share it on Facebook.
- Write to RSPO member companies (and brand names), ask them to use 100% certified sustainable palm oil immediately; ask them to purchase Green Palm Certificates in the interim; and to label their products.
- Write to your favorite companies and restaurants, ask them to join the RSPO.
